ABOUT ME

I'm Apu Deb Chowdhury(Arghya). Living in Sylhet since 2020 and my hometown is Habiganj. I am currently studying at Leading University, Sylhet. I love working on Cyber security, computing and skill development, and learning new technology. I'm a mature team worker and adaptable to all challenging situations. I am able to work well both in a team environment as well as using own initiative.
Now, I am currently studying Computer Science & Engineering at Leading University.
